Child's Name_

Parent's / Guardian's Name ______ My child's pediatrician or other health care provider, _______, has advised me that my child (named above) should receive each vaccine or immunization checked below:

Recommended today, which prevents these serious complications:	Today I refused: Initials of Parent or Guardian	 I have been given a Vaccine Information Statement from the Centers for Disease Control and Prevention that explains eximmunization and the disease(s) it prevents. I have discusse the recommendation and my refusal with my child's pediatrician or other healthcare provider. They have answer all of my questions about the recommended immunization know I can find more information at https://www.cdc.gov/vaccines/parents/FAQs.html. I understand the following: The checked immunization(s) are recommended by my child's pediatrician or healthcare provider, the American Academy of Pediatrics, the American Academy of Family Physicians, and the Centers for Disease Control and Prevention. The benefits and risks of the recommended immunization(s) according to the standard, evidence-based schedule, the consequences may include: Contracting the illness the immunization is designed t prevent, which could lead to serious complications as I in the table. Transmitting the disease to others (including those to young to be vaccinated or those with immune problem possibly requiring my child to stay out of child care or school and requiring someone to miss work to stay hor with my child during disease outbreaks.
